Escorted Tour of Tanzania

“East African Wonders”

October 7–25, 2011

“A picture is worth a thousand words, but a journey is worth a thousand pictures.”

A) HIGHLIGHTS: Enjoy 12 days of exciting adventures in one of the most interesting and exciting places on earth. We will begin at Lake Manyara which is famous for its diverse game, and, in particular, the extraordinary birdlife and tree climbing lions. Descend to the floor of the Ngorongoro crater and have an experience of a lifetime, as we watch the spectacular stalking ground of around 20,000 to 30,000 wild animals, the most densely packed concentration of wildlife in Africa. It has achieved status as the 8th wonder of the world. Tanzania's oldest and most popular national park, the Serengeti, is also a world heritage site and recently proclaimed a 7th world wide wonder. It is famed for its annual migration, when some six million hooves pound the open plains, as more than 200,000 zebra and 300,000 Thomson's gazelle join the wildebeest's trek for fresh grazing. Great herds of buffalo, smaller groups of elephant and giraffe, and thousands of eland, topi, kongoni, impala and Grant's gazelle can also be seen. If the universe is smiling and our timing is right, we will witness something that words can't truly describe – the migration.

Next enjoy 8 days of exciting adventures on one of the most fascinating islands in the world: Zanzibar. This spice isle's pure white sandy beaches fringe the Indian Ocean, off which lie some of the world's finest diving venues. Bask under the coconut palms, and take home samples of cloves, cardamom, and cinnamon. Our spice tour will take you from the winding alleys, carved doors and cool courtyards of Stone Town, through the slave caches of the coral bays, past the blue-domed bath-houses of long dead sultans and out onto the silver and blue ribbons of Zanzibar's perfect beaches.
