On our “Voyage of the Glaciers” Alaska Tour

7 Day CRUISE on the ISLAND PRINCESS

June 14 - 21, 2010

You never forget them — the vivid impressions from your first visit to Alaska. A 10-story crystal-blue river of ice in Glacier Bay National Park, icebergs calving into the tidewater with a thunderous crack. The spectacular and untamed wildlife, from a nesting eagle high in a Sitka spruce to a family of brown bears foraging along a rocky beach. Your first glimpse of the soaring, silent magnificence of Mt. McKinley. It’s everything you ever imagined — and all you traveled so far to see. This is one of life’s greatest adventures. One you’ll want to plan carefully so you don’t miss a thing.

Readers of Travel Weekly magazine consistently recognize Princess as the “Best Cruise Line in Alaska.” Explore the Inside Passage to Ketchikan, Juneau and Skagway. Our itinerary includes two glacier-viewing experiences; the wonders of Glacier Bay National Park and the 16 blue glaciers in College Fjord.

HIGHLIGHTS: Unbelievable scenery, a true Lifetime High! The cruise line, Princess, conjures luxury, comfort and excellence. The Island Princess is one of the smaller ships so your experience will be more intimate. Couple that with opportunities to explore six amazing ports. Optional Princess land tour packages are available. Embark on our Voyage of the Glaciers 7-day cruise, plus four-to-nine days touring the interior of Alaska. Take in the magnificent scenery via luxury rail and stay at picturesque Princess wilderness lodges with a minimum two nights at Denali National Park. It's the premier way to see it all — by land and by sea.
